PRESIDENT'S REPORT

G'day Hurricaners,

I hope you have had a great start to 2018. Really looking forward to catching up at our first club day for the season. This year's first club day will be run as a twilight meeting which is something Hurricane did many years ago and I have fond memories of enjoyable race meetings under lights and in the cool of the evening.

The committee has been working behind the scenes to prepare Hurricane for the Challengers ahead with Gus putting a lot of time learning the new timing system. The committee are also conversing over some projects over the next twelve months associated with maintaining our facility. Our alarm system needs an upgrade, some track crack patching on a small scale needs to be done to maintain our track surface until we assess a track resurface, our lap counter is going to be slightly repositioned so the tower staff and starter can see it.

A big congrats to Gavin Kennedy as our newest life member for his hard work in many areas associated with Hurricane. Gav has driven the OPG cause as well as a major role in getting our J class rolling.

These 2 classes are often the biggest at our club days and really put clubday fun back on the track with affordable entry level racing without sheep stations involved.

It's always great to see our members supporting clubday racing and I urge you all to lean on your racing peers to strengthen our clubdays and get involved throughout the year many things pop up in relationship to maintaining our club, if there are any members that feel they have something to offer the club in any way then please approach myself or any of the committee and let us know, we would love to increase member involvement when it comes to keeping Hurricane the great club it is.

Stewarding, if any of our members are looking to maintain or become a steward please contact Amy or myself with an expression of interest and we will put together a steward school. Stewarding is a great way to see karting from a different angle and is a great way to fulfill your annual clubday duty.

Again welcome back to Hurricane for 2018, let's make a ripper

See ya at the track!
