

INTRODUCTION

“State Regulations: A set of regulations in a format designated by KA, that are consistent with the National Competition Rules (“NCR”) and the International Sporting Code and that are specific to Competition sanctioned by the SKC (State, Zonal and Club Competition.) All State Regulations must be promulgated by an SKC and approved by KA. Should there be a conflict between the Rules and the State Regulations, the Rules will prevail. In 2018, such approval from KA must be received prior to the first occasion on which they shall be applied. In subsequent years such approval from KA must be received prior to 1 December for implementation in the following year.”

“State Regulations may be applied to State, Zonal and Club Competition.”

AUTHORITY

At a meeting of Karting WA Incorporated, on 21st October 2017 It was resolved that these State Regulations be submitted to Karting Australia (“KA”) for approval in accordance with the provisions of the National Competition Rules and having been approved by KA, promulgated for use in Competition in Western Australia from 1st January 2018 as permitted and specified.

1) PREAMBLE

The WA Open Performance Class was conceived to be a high performance class for Western Australian conditions. It is to be read in conjunction with the Open Performance Class, Class Rules - Chapter 18 of the KA Manual.

Karting WA created the Class allowing a range of engine categories, with each category having a weight which has been selected with the goal of creating a similar overall performance for each engine category over a range of circuits.

For the avoidance of doubt, at a Club Competition KA1, DD2 and KZ2 must be permitted to compete in accordance with their respective Class Rules, including the specified weights and tyres.

It is permitted to change engine category and corresponding weight during a race day, however the Stewards must be advised of any such change prior to the next on Track activity.

In keeping with the very basic philosophy, and ensuring class requires the minimum of regulations and engine measuring, a Kart will be eligible if the Kart:

- a) Complies with the Rules and these Regulations; and
- b) The engine is within the capacity limits as specified for it(s) engine category as outlined below.

2) LICENCE REQUIREMENTS

- a) A Driver must hold a Minimum of a Senior B Grade licence.

3) DRIVETRAIN
