

CODE OF CONDUCT – DRIVERS

- Read, understand and follow the rules.
- Be a good sport. Focus on your driving and you will benefit from this. Karting is fun.
- Enjoy your racing. Do not go out on the track just to please parents or spectators.
- Treat all drivers and officials as you would like to be treated. Without them, there would be no racing.
- If you disagree with an official, raise the issue with the Clerk of Course.
- Control your temper. Verbal abuse of officials or other drivers, or provoking another driver, is unacceptable. Derogatory language will not be tolerated.
- Be prepared to take responsibility for your actions.
