PRESIDENT'S REPORT

G'day Hurricaners,

Well here we are at the doorstep of our April club day and I'm looking forward to catching up with you all.

Behind the scenes, the committee has been busy putting together the Brian Smith memorial club day in May with a heap of exciting things on offer to commemorate our old mate Brian and his contributions to Hurricane. We will be announcing the day's format at the April club day with prizes and a change of race day format it will be one not to miss. (My tip for this one is to start dusting off your J's)

Some other projects you may have seen around the track are our new starters platform and cut through arrow (thanks Brett Styles) , Troy Worboys for ironing out the problems with our track lights, Glenn Fisher for his mowing ventures, and thanks to everyone who puts it in between race meetings.

Big congrats to those Hurricaners that competed at the Carnival, southern zone in Kal and the Northam zone in Tom Price.

See ya at the track!

CANTEEN CORNER

Once again thanks to my awesome team of volunteers for the March Club Run. Whilst it was a quiet one your help is always appreciated. Thank you Kim Locke.

In the coming months, the canteen will be looking for more help as regular helpers are away on other commitments.

If you can help out over April and May please pop in and see us this coming Club Run 29th April

The times that require most help are 10.30am to 12.30pm (2 persons) and at the end of the day when closing (3 persons).

During the day (2 - 3 person) this enables parents to get and watch their family members race.

The more help at the end of the day also helps those that have feed and fuel you guys all day get out and enjoy presentations and chin wag with the rest of the club members.

MORE VOLUNTEERS REQUIRED

The canteen welcomes anyone who would like to join our awesome team.... come be part of the fun and laughter.....

.....always cooler in summer and warmer in winter..... pop in and see Cassie.

KING OF THE HILL

For the canteen to run efficiently for this event we will need more volunteers. So please pop this date on the calendar Saturday 9th September.

On Friday 8th September I will require help from 3pm to help prep the canteen to be open for dinner service on Friday evening.

Saturday morning will also need some early birds from 6am to get breakfast service ready for 6.30am.

Then throughout the day 4 - 5 people. Clean up and close down 3 - 4 people.

Thanks to a great start in 2017 bring on the April club run

Cheers

Cassie Worboys

Canteen Manager :)

COMMITTEE REPORT

March Committee Report

A big thank you to Brett Styles for all his work at the track in the past couple of months. We now have one less club duty each meeting because of the cut through arrow that has been erected across the track. We also now have a platform at the rear of the tower for the starter. We are waiting on quotes to have an entry door into the second level of the tower from the platform.

A big thank you to Troy Worboys for taking on the ongoing problems we have had with the lights, and for getting them sorted. If the last club run is anything to go by that should be the end of our problems. Well done!

The committee has been working on the Brian Smith Memorial Club day and we are pleased to advise we have great support and sponsorship for this meeting. Biggest prize money ever given away at a Hurricane club run. Advertising and further details will be coming out later this week. Hope to see you all there - May 13th.

Thank you to Ross and Jess Sears for taking on the stocking of the bar and for offering a more diverse range of drinks.

Jason Peirce and Amy Sears will be starting to work on a members' directory which will offer to others the professions of our members. We would like to ensure we are supporting the people who support us. As we are constantly updating and upgrading our amenities and track, we often require the services of different professions and industries, and would like to support our members where possible.

Your 2017 committee is committed to listening to its members so please do not hesitate to make positive suggestions
