# President's Report

G-day folks,

Welcome back to a new season of karting at Hurricane. I trust you have all had a great festive season and are all looking forward to the year ahead.

Club activities will be kicking off with clubday on Saturday 14th January. This will be a great opportunity to put some laps in for western cup round 1 and also grab some early points for the club championship. Don't forget that our club days are now open to non-members, this may assist in helping to get clubday numbers up , so as members of Hurricane let's work together and make our visitors welcome in true Hurricane fashion.

Now folks I am putting out an invite to all members to assist in getting our facility ready for the Western Cup Rnd1 in February.

We will be having a busy bee on Sunday 22nd of January, which will mainly involve a good clean up of leaves, rubbish etc.

We will kick off at around 8.30am and with good turnout should achieve our goal early enough for me to cook you all lunch.

So guys, let's grab 2017 by the horns and really get in and club together, let's have a fruitful season of competitive fun.

See you all at the track!

*Robbie*

## From the Secretary

Hi Everyone, I myself this year have big shoes to fill but Val has been helping me out a lot and will continue into the new season until my "P" plates are ready to come off and she thinks I will be good to go it solo.

I hope everyone has had a great start to the New Year and are looking forward to this year's racing. We have the Western Cup on 4th Feb and if you are able to help out we still have some jobs that need to be filled could you please contact me and let me know if you are available to help out.

Just another reminder about the Participants license for anyone who is parent/guardian of a member U/18 please go online and do this we don't want you to not be able to race because this hasn't been done.

Thanks everyone

See you at the clubrun

Amy
