RACING WILL BE ANTI-CLOCKWISE

PRESIDENT'S REPORT

G'day Hurricaners,

I don't know about anyone else but I feel this year is flying past, here we are preparing for the October clubday and I must say I'm really looking forward to us running in the anti-clockwise direction. Running the track this way will offer new challenges to those who may not have done it before. I will always remember my personal excitement as a driver looking forward to opposite direction race meetings back in the days when an AX6 was a new kart.

A big congrats to all Hurricaners that competed at the recent Albany state titles, with many podiums from club members and a strong Hurricane contingent is there to see so many of our members representing our club at a state level.

At the November clubday we will have our AGM. For those that have not attended one before it's a great opportunity to see exactly we're the club is at regarding membership and finances. If you want to put forward an agenda item or a committee nomination both these forms are available on the club website

Again, I would like to thank the constant support and hard work put in by the committee and members there's a good feel at Hurricane that is bought about by great people that have pride in our club. Keep up the good works guys.

See ya at the track!
