President's Report

G'day Hurricaners,

Well here we are heading into the last club day of the year .I must say that our club once again has proven itself as the friendly club with many great days racing from club days to our two opens .I must thank the support of the committee and volunteers that have pulled together 13 race meetings this year. Without the strength of the people this would not have been able to be achieved.

This year's wind up and club champions' presentations will be held at the Maylands golf course on December 2nd, this will be a change from our recent end of year presentations at the track and I'm sure it will be a great evening to socialise in a different environment.

Once again a huge thanks to all the committee and members for making our club a great place to be .An extra big thanks to Amy our club secretary for her support in her first year in the job, I have enjoyed my first year as your president which was made easy with her support, I feel we have been a good team in keeping things ticking.

To all members' thanks for supporting club day numbers, we have had some great racing, good times and look forward to your ongoing attendance in 2018

See you all for last drinks after racing on sat

See ya at the track!

Robbie

October Club Run

Our October club didn't start without it's troubles of a power outage that caught us unawares on arrival on the Saturday's October Club day with Freezer full of food ruined.

A big thanks to club members who jumped in and rallied together to get stock up to the club at short notice to feed and fuel and club members for the day. Thank you Brett Preston and Katie Loughton.

A Big Thank you once again to Kim Locke for Helping in the canteen with the October Club Run.

EV Challenge

The EV Challenge held on the 4th November at Hurricane was a great opportunity to raise funds for the club.

Like October's club we were faced again with power outage and freezers with ruined food on arrival.

A HUGE big thank you goes out to Alan Wilks for cleaning out the freezer before we arrived although the dreadful smell gave it away, Amy Sears for organizing Brett Preston, Gavin Kennedy in collecting stock on their way up to the club. To Kim Locke and Gemma Worboys once again taking time out on a weekend to contribute to the club in helping with canteen duty. Thanks to Brett for taking over cooking duties when Kim departed and to the Men's kitchen clean-up crew of washing up and drying Robbie Bertram, Gavin, Brett and Alan.. you guys rocked it.

Canteen would like to extend a MASSIVE thank you to Harvey Norman Joondalup for donating a huge new chest freezer... so get down and support them when you can.

With this our last club run for 2017, stock levels will be low on some items. We apology in advance if the item your after is not available on club day.

The canteen is happy to take orders throughout the day. You can nominate a time or racing round you would like to have your order ready.

See our friendly canteen volunteers at the window who will gladly take your order.

Don't be shy to ask for something you can't see in the bain-marie our volunteers will gladly make it, if not sold out.

See you all at the November Club Run.
