# PRESIDENT'S REPORT

G'day Hurricaners,

Firstly I would like to give a shout out to all that volunteered, competed and sponsored the Brian Smith Memorial club day in May. It was a real hit with great numbers across the fields and an awesome feed and socialising after the racing.

Saturday the 16th June will be our next club day and I'm looking forward to catching up with as many of you as possible. With a couple of big meetings coming our way now is the time to put down some laps and support club day racing at the same time.

The June club day will also have a steward's school at 11.15 am hosted by our state steward coordinator John Wishart. I encourage as many of you to come along not only for your own benefit but also to make life easy for the committee to organise volunteers at race meetings. Stewarding is a great way to be involved with karting from a different perspective than usual.

Sponsorship is on the agenda at the moment and with a slower economy in WA it is getting harder to achieve the support we need. If any of our members would like to support or know of any companies or individuals that feel they may benefit from the exposure please contact Amy Jess or myself and we will be happy to talk about what you may be able to offer with packages starting as little as \$150.

Catch you at the June club day.
