PRESIDENT'S REPORT

G'day Hurricaners,

Well folks we are really on the doorstep of our peak period with our July club day closing in and the Polmac Trailers Western Cup final the following week. Hurricane would like to thank the crew at Polmac Trailers for their generous support in becoming our naming sponsors for the western and the King of the hill. We would also like thank all the class sponsors for their support of our Two main events. All our supporters will be listed on a sponsor board that is being made at the moment.

Well done to our members who constantly support club day racing with numbers slowly increasing as the season flows on. As I've said before, strong numbers at club days build strength in so many ways financially and socially.

Busy bee.. yes Hurricaners we are having a quick premises tidy up on Sunday morning after the club day in

preparation for the w/c final the following weekend. The main task is to mark lines in the gravel pit area and contributors at the busy bee will get first dibs on a spot to set up on at the meeting as there is no pit allocation available ...for those who decide to camp out Saturday night for the busy bee Sunday I'll be cooking breaky for you.

Volunteer.... please guys and gals we are constantly looking for race day help, as a member you are expected to contribute at one club day a year regardless of whether you race club days or not. It's a small ask and will make Amy's job so much easier if we can have these positions filled well before a meeting. It will also give those that put in at every race meeting a chance to have a day off.

Cheers again to all those that are constantly giving their all from Cass in the canteen to Pix on the starting lights Alan as an official and all those who just do it cos no one else wants to. These are the guys that make our club tick so if you can lend a hand it will be greatly embraced.

Catch you at the July club day.
