G'day Hurricaners,

Here we are right in the middle of the clubs busy midyear schedule and coming off a rain drenched western cup final I'm sure a lot of us were happy to put our feet up when we got home.

It was as trying as a race meeting can be. Through it all though it really showed the spirit of Hurricane when so many of our members grabbed a broom and swept that track. As bad as it was it was still the part of the race meeting i will always remember fondly .no one was asked they just did it, thanks guys

Well with the August club day on the doorstep it is only a week until the Polmac Trailers 2018 King of the Hill.

The committee are really looking forward to this one and I sure it's going to be as exciting as ever .With two open meetings so close the crew have being putting in the overtime and I sure we will be all looking forward to taking a sigh of relief when it's all raced and won.

I would like to thank the large amount of members who always stay for presentation, It's a great way for the people who work behind the scenes i.e. tower crew and canteen etc. to be able to socialise with competitors and crews and to also offer support and encouragement to the kids and adults alike .After race socialising only encourages friendships amongst members.

Our club runs solely on volunteers so if there's any way you think you can help out we would love to hear from you.

Looking forward to catching you all at the club day, if not, then the KOTH.
