# HURRICANE GO KART CLUB

JULY NEWSLETTER

# PRESIDENT'S REPORT

Howdy Hurricaners,

Well that light at the end of the tunnel has drawn closer at long last. July club day is upon us with our second round of club racing commencing this Saturday.

Folks it is important to comply with the rules of social distancing to ensure WA stays on track, the last thing we need is to have a taste of some normality and then have it taken away from us.

The tenth anniversary of the King Of The Hill is closing in fast. I'm sure it will be a great meeting, with us all being denied of the open racing fix so many of you crave for. There are opportunities for different levels of sponsorship still available. As you can appreciate sourcing support at the moment isn't as easy as years gone by, so any support from you or companies you may know that may want some high exposure and can help out then please don't hesitate to contact the club.

Folks lets keep it clean and respectful at the club day, so we can all enjoy a day doing something that we have all missed greatly.

Huge thanks to the committee for working together to get the wheels rolling again. Amy, awesome work making sure the club complies to new rules. I know there have been many hours behind the scenes and we are all grateful for the work you put in.

Hurricaners "Lets Go Racing" at Your Place To Race....

See you all at the track,  
Robbie
