PRESIDENT'S REPORT

Hi Everyone and Welcome Back to the 2021 Race Season!

My name is Gavin Kennedy and I have taken on the role of president this year as Rob stepped down after four years in the role. I would like to thank Rob on behalf of us all at Hurricane for the role he has played - not only as president of the club, but as an active and committed member of Hurricane. Rob will be remaining on the committee and you will continue to see him around the track officiating, enjoying the camaraderie and most importantly undertaking our presentations because lets be honest who does it better than Rob?

For those of you who don't know me I have been around Karting and Hurricane Go Kart Club since I was very young. I had a small break from karting during that time as like most, work gets in the way. I have now been back actively involved with the club again for many years now and have been working with the committee to make Hurricane Go Kart Club the family friendly club it is known to be. I look forward to taking on the role as president and getting to know you all at Hurricane Go Kart Club.

Now the fomalities are done...

We have a huge year here at Hurricane, WE ARE TURNING 60! WOW!
Our 60th year sees the club hosting two open meetings PLUS the Western Australian State Karting Titles. Along with these meetings comes a lot of work, we will require our members to step up and help out when they can.

Continuted..

PRESIDENT'S REPORT

HELP is always needed, please don't hesitate to put yourself forward for a job that is needed. Even if you see something around the club you believe you could put your skills to work that could benefit the club please let either myself or a member of the committee know so we can work with you to make our club and facilities better. If you are available to assist on club days please let us know, we are more than happy to teach you the ropes on how to do them!

Our committee is working very hard behind the scenes to get organised early for our open meetings. We have formed a sub committee for sponsorship this year and the group has been putting in a lot of work creating great packages for potential sponsors. I would personally like to thank Gemma Worboys, Brett Preston, Megan McDonnell, Matt Galic and Tony Arambrasic for their time and effort thus far in working towards new exciting opportunities for Hurricane!

Our February club day started with an early morning busy bee and it was amazing to see so many members up and about help get the track ready for the beginning of the season. Thank you so much to everyone, you all did a ripper job!

Racing on both the February and March club days was great to watch. Our driver turnouts are increasing and it is great to see so many new members around our club. I would like to acknowledge you all and thank you for choosing Hurricane as "Your Place to Race", we hope you have been enjoying the race days.

PRESIDENT'S REPORT

Thank you to all our volunteers who have helped out the past two club days, it makes our event run so much smoother having you there to help. Again if you or anyone you know is available to assist with duties on a club day, please let us know in advance. This helps our awesome secretary Amy who is often online days before the event seeking helpers! If you are able to assist please either contact us via Facebook @HurricaneGoKartClub or via email at hurricanegokartclub@gmail.com.

We have had some changes to practice now, making things similar to practices held pre-covid. Making it easier for both volunteers and those wishing to practise. Please be sure to keep updated on Facebook or at our website www.hurricanegokartclub.com.au under "latest news" , these are both kept update with all information in regards to what is happening at the club and what you are required to do when you practice or race.

It's been a bit of a long one but next months I promise will be shorter! Thank you all for hanging around for this read and I applaud you if you made it all the way to the end.

That is it from me for now, see you all at the next club day.

Thank you for making Hurricane "Your Place to Race".

Gavin
