MAY NEWSLETTER 2021

# PRESIDENT'S REPORT

Hi Hurricane Family,

Well what a busy few months we have had!

April saw the club day grow with more competitors out on track, it is really great to see our members out enjoying what our club has to offer on race day ... good racing, family fun and yummy food!

This month we celebrate our great mate Brian Smith, who was unfortunately taken from us too soon. Brian was a regular at the track, always there on race days with his son in law Ron. Brian was loved by many and definently created light and laughter among all that he spoke too. Even in his days of ill health he would come to the track to see how everyone was going and catch up for a chat. We like to get the old J's out for Brian on his day of remembrance so... If you own a J, you know what to do. Dust it off and get it ready for this special race day and help us celebrate our old mate Brian.

I would like to thank the number of volunteers that have been stepping up on weekends to hold practice days. It has been great to see so many of our members taking advantage of these days leading up to our major events in June, August and September.

Volunteers are an imperative part of making a club run successfully. I would like to thank those same individuals and families that step up week after week and month after month. As we lead into the busier periods we will be relying heavily on our club members to step up and assist us in any way they can. Please keep your eyes posted on our social media accounts where we will be seeking volunteers.

# PRESIDENT'S REPORT

We would also like to reach out to our members, if there is something that you feel the club can improve on please reach out to our committee members or write us an email. We are open for conversation as this is our club and we want to improve it any way we can. Our committee team love a chat and are available on club days should you wish to have a conversation with them.

Lots of planning has been occurring behind the scenes for the busy months ahead and we hope you enjoy the coming months as much as we plan too. We have a very exciting project in the works and cannot wait to share with all of our go karting community – It is something our committee are very excited to bring to you all.

One important notice before I sign off.. PITBAYS – We all take about them, use them and want one close to the out grid. Please be aware if you would like to pit in the shelters in pit lane please email the club at [hurricanegokartclub@gmail.com](mailto:hurricanegokartclub@gmail.com) . Many of these pit bays are already paid for by members, so please if you do not have a pit bay organised prior to the day we ask kindly that you do not pit there. We have plenty of space available in the gravel pits located behind the canteen area and at the end of pit lane.

Thank you for your time and we look forward to celebrating the Brian Smith Memorial with you all – Don't forget we will have our beef and gravy rolls after racing for a family dinner with our karting family.

Thank you for making Hurricane - "YOUR PLACE TO RACE"

Gavin

# Brian Smith

Brian was a humble man and was always up for a chat, he created light and laughter among all he spoke too. This is the month we get our KA4 Senior Combined class up for this great man.

For those who didn't know Brian, he used to come race on weekends with his son in law, Ron. A positive Pair who were always happy to spend a day at the track spending time with one another and catching up with mates.

Come join us in celebrating our old mate Brian, Saturday 22nd May 2021.
