FROM THE PRESIDENT

GAVIN KENNEDY

Hi all HGKC Members,

Well it's hard to believe it is May already and we have a busy few months ahead for the club. We have seen some new members in 2022 at our meetings, so I'd like to welcome them all to Hurricane.

The meetings have all gone smoothly so far and I hope you all enjoyed the March event with the 2 heats run in reverse direction.

Our next Club meeting on the 21st May is not too far away and stay tuned for the supp regs and meeting information coming out soon. With the recent changes to the Covid 19 rules / mandates in WA announced, I am happy to advise our canteen will operate as normal, the BAR IS OPEN and we can once again enjoy the club room for the presentations.

Our regular June Club meeting is on the 18th. We are looking at mixing up the program on the 25th June with our open meeting, the Hurricane Go Kart Club "Western Enduro" 2022. We can't wait to showcase our event to all karting enthusiasts and we will provide you with the format soon, so keep your eye out for our emails or social media threads for more information.

I would like to thank all the members who have volunteered their time so far to the club and as always we encourage you all to assist in completing your annual duty to help the club operate. As a reminder we always require assistance in the Canteen to be completed by parents or guardians of Cadet members. We are looking for people to be trained in the timing tower duties and general stewards. If you are interested please contact us at: hurricanegokartclub@gmail.com

I look forward to seeing you at the next meeting and thank you for making Hurricane "Your Place to Race".

FROM THE COMMITTEE

The committee team have been working hard behind the scenes to put some things into action which the members have asked for at the last AGM meeting held in November 2021.

Facility Upgrades:

The committee have engaged a contractor to assist us in organising / seeking grants for the upgrades of our facility. We are currently in the early stages of this and hope to provide more information in the coming months. We will be reaching out to members shortly - so if you receive an email asking for your input, please respond as we are doing this to encourage a bright and positive future for Hurricane Go Kart Club.

We have purchased the frame materials to build a new structure to keep the Grid area covered all year round. We are currently sourcing the roof cover and have plans being submitted to council. This will be a great, permanent addition to the club and we can't wait to get this built for all members.

Sponsorship:

The club is always in need of raising funds to assist towards our future infrastructure upgrades. We are in the process of completing an information booklet to go out to all our members and any prospective sponsors for our club days, track signage, open meetings and many other opportunities to display our members and local businesses. So if you or anyone you know is interested in sponsoring the Hurricane Go Kart Club in 2022, please watch out for our upcoming correspondence or contact hurricaneadvertising1@gmail.com

BRIAN SMITH

Brian was a humble man and was always up for a chat. He loved karting and always brought a smile to all that met him at the club. This is the month we celebrate the great man and we ask our KA4 Senior Combined class to step up in memory of him. For those who didn't know Brian, he used to come race on weekends with his son in law, Ron. They both enjoyed spending time together at the track and catching up with their mates.

Come join us in celebrating our old mate Brian, Saturday 21st May 2022.

CLUB MEETING 21ST MAY 2022

- Canteen Workers - Cadet parents or guardians
- Scales
- Grid
- Lights
- Starter
- Stewards

LONG TERM

- Timing Tower Staff - Speak to any of the committee members if you are willing to learn an essential job to run our club meetings, whilst enjoying the best seat in the house to watch the action. It would be great if we have a few members willing to be trained for this position.
- Stewards - General stewards to learn all different duties required to run our meetings

You will establish new and stronger relationships with other members,
feel proud to give back to the club and learn new skills.

With volunteers we can continue to operate and
help the club build a better future.

FROM THE SECRETARY

Practice

Thanks to all the Grade 4 Officials for putting their hands up to open the track for all members to practice on weekends. Please follow our Facebook page and advise if you can open the track for practice days by 5pm Thursday.

Race Day

Please check the Facebook page or visit our website:

<https://hurricanegokartclub.com.au/>

for meeting details, supplementary regulations and completing scrutineering forms.

Future Planning

For the opportunity to get involved and provide your input for future planning, keep an eye out for our emails and follow us on social media. This is your chance to have your say for the future of our club.
