FROM THE PRESIDENT

GAVIN KENNEDY

Hi all HGKC Members,

The July Club meeting went well without too many hiccups. Although a little quieter than usual, the entrants enjoyed a dry day of racing which was welcomed by most. It was great to see so many people staying for the presentations, a feed, some drinks and chat with members. Congratulations to all the trophy recipients and a big thank you to all the volunteers.

August will be another big month for Hurricane. With our Club Run on the 13th August we anticipate a big turn out from our members and from other clubs as we start to prepare for the King of the Hill. I look forward to seeing you all at the track racing for the club championship and fine tuning your skills for our open event the week after.

With this being our 12th year for the King of The Hill, the committee has been working hard to make this the biggest and bet event yet. As usual we will have practice on the Friday and racing Saturday. This is Hurricanes time to show the other clubs around WA why your club is "The Place to Race". We invite and encourage all our members to attend our biggest open meeting of the year and to stay around after the big day for presentations, raffles, prizes, food, drinks and to talk about the weekend of racing.

With practice commencing on Friday the 19th August, please watch out for our posts on social media or our website, get your entries in early and invite your family and friends to race or attend. Let's make this years meeting the best we have had.

I look forward to seeing you at the track and as always, thank you for making Hurricane "Your Place to Race"

FROM THE COMMITTEE

KING OF THE HILL

Now into our 12th year of running the event, we are so excited to make 2022 KOTH the best event we have ever put on for the karting community. Firstly, we want to thank our major sponsor for the 2nd year running Able Finance, as we are so grateful for their support.

With 11 classes racing, this should be an action-packed event. We have Chris Mitchell live commenting on the day, as well as live streaming for the event. With practice on the Friday and racing Saturday, we encourage those who can to camp overnight in the paddock. The canteen will be open, a coffee truck, ice cream van and the bar stocked to satisfy everyone's needs.

We invite all our club members to stay around Saturday night for the presentations. We have food for all the hungry patrons and drinks for the thirsty at the end of the days racing. The trophies look amazing, we have many, many prizes to be drawn and raffles to enter. This will be the WA karting event of the year and let's show everyone why Hurricane Go Kart Club is the best place to race.

ANNUAL ADVERTISING CAMPAIGN

The committee has worked tirelessly this year to promote our club and the King of the Hill event. We have got so many new and past companies on board to support our club financially, that we cannot thank enough. Check out our sponsors page in the newsletter and on our social media. The company banners will start going up around the track for you all to see, which we hope shows you how the club is starting to grow and move forward. We ask all of our members to show their support for our valuable sponsors businesses in recognition of how grateful we are.

CLUB LOGO

Thank you to all the members who provided their logo suggestions to the committee. There was some great ideas and concepts to be considered. The committee has made a decision of the new logo to take the clubs vision to the future. You will start seeing this on our social media and marketing material. We have also recently acquired 2 large Marquee Tents showing off the HGKC logo and motto "Your Place to Race" which I'm sure you will start to see around the track.

If you have any queries regarding any of the above then feel welcome to speak with any of our committee members or email us at:

OUT & ABOUT

Dan Currey, Hayden Patrizi and their families made the big trip to Darwin for a look around and the Northern Territory Kart Championship.

Dan took 1st place & Hayden 2nd in the KZ2 Final.

We'd love to hear what our members have been up to over the past month between meetings. This is an opportunity to share all things with our karting family. If you are heading to any other karting events outside of HGKC, then please send out a post on social media that you are attending so we can look out and support each other. Please include a little blurb about what you have done and be sure to include images to go with it.

FROM THE SECRETARY

Hi Hurricane Family,

I would like to start by thanking all our awesome volunteers who have stepped up in the last month, a small but mighty bunch and we are very grateful for you and what you contribute to HGKC.

July Club Day seen us run with no lights or scales marshal. This cannot happen again, we have a busy finish to the year and it would be appreciated if members could please volunteer and complete their club duties.

As displayed on our volunteer page, we are urgently seeking some vital roles to be filled next year. The people who are currently in these roles have been doing them for 5 plus years and have decided to take a well deserved break... So this brings it to you our members, we urgently need these roles filled and they require some training, please if you or anyone you know is interested in assisting us please let us know. Remember more hands makes lighter work, example being... If 3 people volunteer to do the time keeping role it means you only need to commit to 4 race meetings per year as you can rotate the role between 3 of you.

Practice: If we do not have a grade 4 volunteer by 12pm Thursday's the track WILL BE CLOSED. If you would like to become a grade 4 volunteer please email Karting WA Secretary, Michelle at secretary@kartingwa.com.au. She can guide you in the direction in which you need to go to become an official.

Lastly be sure to be following us on social media, with all the busy things coming up over the coming months that is the place which will have all your information you require. We thank you all for the ongoing support that is showing up at our events. We can't wait to see you at KOTH and hope it will be an awesome event for all to remember!

If you have any questions or require any information please don't hesitate to contact us, I will get back to you as soon as possible.
