FROM THE PRESIDENT

GAVIN KENNEDY

Hi Hurricane members,

Well, the final Club run for 2022, "The Marlene Dean Kart Muster" is upon us this weekend, where we honour the great, Marlene Dean. It will be a jam-packed meeting with Vintage Karts out on display and on the track, our Annual General Meeting and the Perpetual Club Championship presentations.

We will finish the year off with some great food to feed those hungry racers and families. We have plenty of giveaways for our younger drivers, so please stay around for presentations if you can. The bar is open, the fire pit will be cranking, so you can have a drink and tell stories late into the evening. We also invite all members to camp overnight at the track if they wish.

I want to personally thank all of the members who have volunteered for duties during the karting season and especially the hard working committee members who donate a lot of time and their expertise to keep the club running.

Im sure we are all looking forward to some time off after a busy year and I wish you all a happy and safe festive season

I will make my way around on Saturday to greet as many of you as I can and look forward to seeing you all again next year.

As the president of the HGKC, I would personally like to thank you for making Hurricane "Your Place to Race".

FROM THE COMMITTEE

ANNUAL GENERAL MEETING

Just as a reminder that at this weekend's final club meeting we will be holding our AGM. The committee will share what we have been working on during the year, what plans we have in action, recent changes to the karting calendar for 2023 and discuss plans for the future.

It is also the time for our members to provide some constructive input into the club's future.

END OF SEASON WIND UP

After the running of the Marlene Dean Kart Muster we will hold the event presentations and then we will award all of our club champions for 2022. Please hang around as there will be plenty of food for everyone, there will be some prizes for cadets and junior racers and have a few drinks around the camp fire.

This is the day we all come together as the Hurricane Go Kart Club family, look over the year that's passed, tell some stories, get to know other members and prepare for some time off before we hit it all off again next year.

Camping overnight is welcomed if you so wish.

PLANNING

We have started reviewing the results from the member survey conducted and thank those who completed it for their input. It seems like we have some fantastic ideas that we certainly should discuss as a club and look to implement. The committee will look to make a summary of the feedback and suggestions for our members to review as soon as possible.

Besides the member suggestions, the data collated from the survey is to be reviewed by a third party company, in order to prepare a plan for the next few years for the club. This includes the preparation and submission of grant proposals to Government bodies so we can start looking to make future infrastructure improvements to the track and its facilities.

In the new year the committee looks to provide a summary of the future plans with Hurricane members, so we can determine the best way forward for the club. We will look to update you all in the new year.

If you have any queries regarding any of the above then feel welcome to speak with any of our committee members or email us at:

OUT & ABOUT

The Eastern Goldfields Karting club in Kalgoorlie welcomed Karter's from all over Australia for the final open meeting in WA for 2022. There seemed to be a lot of grip for racers due to so much rubber being laid down on the track and the event saw every class have the lap record beaten.

There were plenty of Hurricane members and families who attended the event. It was great to see Grant, Elliott & Amanda Johnson at their first open meeting outside of the Wundowie track.

Other members who attended were: Dan & Riley Currey, Hayden & Isabella Patrizi, Darin & Roman Yacopetti, Nathan & Sue & Zac Mettam, Liam & Levi Reffell, Tony & Declan Arambasic, Chris Straughan, Jacob Pulitano, Tony & Flynn Booker, Daniel & Joshua Panizza, David & Cruz Priolo, Matt & Mia Pearce, Zac Luca, Japleen Singh, Kim Smith,

Congratulations to all the podium winners and to all the Hurricane members that participated.

We'd love to hear what our members have been up to over the past month between meetings. This is an opportunity to share all things with our karting family. If you are heading to any other karting events outside of HGKC, then please send out a post on social media that you are attending so we can look out and support each other. Please include a little blurb about what you have done and be sure to include images to go with it.
