# FROM THE PRESIDENT

GAVIN KENNEDY

Hi Hurricane members,

Well, its October already and on Saturday the 15th we are coming up to the last meeting this weekend to earn club championship points. Let's bring on some great racing as our members battle for final points for the year.

The September club meet was quieter than usual with some members heading to Bunbury to practice for the WA State Titles. There was still plenty of action between the competitors and although it was an earlier finish than normal, the day went well.

I made my way down to Bunbury for the state titles myself and managed to get some action on the track. It was good to see so many Hurricane members participating and congratulations to all the drivers who made the podium. The Bunbury City Kart Club put on a good event and I'm sure all enjoyed themselves.

I also urge you to pencil in the November club meet where we celebrate our club matriarch, Marlene Dean. The November club meeting will be a busy event, with the running of the 2022 Marlene Dean Kart Muster, the HGKC Annual General Meeting and top this off with the Club Championship presentations. It is always a great way to end off our karting year for the club.

I look forward to seeing you at the track and thank you for making Hurricane "Your Place to Race".

# FROM THE COMMITTEE

## **ANNUAL GENERAL MEETING & WIND UP**

Our November club meeting will hold the HGKC AGM where the committee will share the progress during the year and planning projects for the future. It is also the time for our members to provide some constructive input into the club's future. After the running of the Marlene Dean Kart Muster we will hold the event presentations and then we will award all of our club champions for 2022. Please hang around as there will be plenty of food for everyone, there will be some prizes and perhaps wash this all down with a few drinks.

This is the day we all come together as the Hurricane Go Kart Club family, look over the year that's passed, tell some stories, get to know other members and prepare for some time off before we hit it all off again next year.

Watch out for our social media posts.

## **MARLENE DEAN KART MUSTER 2022**

Once again the November club meeting will honour Marlene Dean which is such a special event for the Hurricane Go Kart Club.

Marlene Dean is the only woman to be inducted into the Karting Hall of Fame and here in Western Australia we consider her the "godmother" of Karting.

We invite all our members to prepare their karts for this race meeting as it is not one to miss. Enjoy seeing all the current machines on the track, but take in a bit of history with the Vintage karts out on display so we can see how they did it in the old days.

## **PLANNING**

After completion of our survey, we are now looking to prepare a plan for the next few years for the club. This includes the preparation and submission of grant proposals to Government bodies so we can start looking to make future infrastructure improvements to the track and its facilities.

As any club would, we will welcome any local and or state funding to assist with the clubs needs to grow and provide a safe and family orientated environment for our members. We look forward to updating you with the progress over coming months.

If you have any queries regarding any of the above then feel welcome to speak with any of our committee members or email us at:

# OUT & ABOUT

The State Titles made their way to Bunbury City Kart Club this year. The club put on a great event and there was plenty of drivers and action. It was great to see so many Hurricane members making it to Bunbury to take on the 3 to 4 day karting event, including the HGKC President Gavin Kennedy, also our hard-working HGKC Officials Troy Worboys & Brett Styles.

Special mention to Blake Preston our "WA Open Performance" State Champion. Congratulations to all the 2022 State Champions and to all the Hurricane members that participated.

We'd love to hear what our members have been up to over the past month between meetings. This is an opportunity to share all things with our karting family. If you are heading to any other karting events outside of HGKC, then please send out a post on social media that you are attending so we can look out and support each other. Please include a little blurb about what you have done and be sure to include images to go with it.

# VOLUNTEERS NEEDED

As a club we cannot stress enough how important the following roles are to our club without these roles being filled there is no race events.

As stated at club days, on social media, in previous newsletters we require the following roles to be filled for the 2023 race season.

# FROM THE SECRETARY

Hi Hurricane Family,

It's been a minute since i've been on the newsletter due to the clubs busy few months. To our new members welcome and to our members who are reading this, thank you for making your way this far into our monthly newsletter which the awesome Yacopetti Family put so much effort into month after month making sure you - our Hurricane Family are up to date with what is happening within our club. What a year it has been thus far! A reminder this weekend is the last weekend to get your club duties completed for the 2022 race season as the November Club Run is Hurricane Go Kart Club's memorial race day for the late Marelene Dean. This is a great day where the HGKC family and friends come together and race and all are welcome and eligible for trophies!! Save the date family as this is also going to be our End of Year Windup Event.

A big reminder next year we are in need of volunteers! We are looking for race day time keepers, a canteen manager and race day stewards... without these people we can not hold a race meeting. So if you or anyone you know would be willing to step in and give the club a hand please send me an email and we can get organising some trail days.

Thank you for the ongoing support and we will see you at the club day.
