FROM THE PRESIDENT

GAVIN KENNEDY

Welcome Hurricane members,

It was great to see so many members and family at the July Club meeting. With nearly 100 entrants it was busy and all seemed to run smoothly. Thanks to all the volunteers that put their hand up to complete their club duties, all the stewards & officials around the track (and in the tower) and the canteen helpers who

all donated their time, so that we can all get to enjoy the racing.

I'm sure all our members who attended the July meeting, were pleased to see the commencement of construction of the Grid Shelter. We look forward to having this completed for the club members. The new King of the Hill shirts started selling well and look great. It really is an exciting time for Hurricane.

The Hurricane Vintage Kart club once again put on a show for all to enjoy. There were some great looking karts around and on the track. You can really see the passion these guys and girls have when you look at how well looked after and presented these machines are.

We expect our next Club Run on the 5th August to be busy, as drivers fine tune their skills for the King of the Hill. Please help the club day run smoothly by parking in an orderly fashion, volunteering for a duty and showing the great hospitality to members from other clubs that the HGKC has to offer.

2023 will be the 13th year that HGKC has run the King of the Hill. With this year's event being combined with the WA State Karting series, it is sure to be the best we have had yet. As usual we will start practice on Friday the 18th and racing Saturday the 19th August. There will be prizes for each class after the racing and of course a great feed to top off the event. Stay around for the presentations, chat to friends around the fire and enjoy the DJ entertainment until late in the evening. Camping overnight is also welcomed.

I look forward to seeing you at the track and thank you for making Hurricane "Your Place to Race".
