FROM THE PRESIDENT

GAVIN KENNEDY

Hi Hurricane members,

We have been lucky so far in 2023 to dodge the rain, as the June club meeting stayed dry for our drivers and members. The race meeting mostly went smoothly and we managed to finish earlier than usual. The after racing drinks and a hot dog with our members made a great atmosphere around the club.

As we approach the King of The Hill 2023, we are starting to see more members from other clubs attending our club days and practice sessions on weekends. Let's show respect and welcome all karting enthusiasts to HGKC.

As you are all aware our secretary Gemma Worboys has resigned. I would personally like to thank Gemma for all her efforts and time as a volunteer for over 10 years to the club. She is an amazing young lady and on behalf of all our members, I wish her all the best for her future.

Our next Club meeting is on the 15th July and I'm sure we will be busy as you all start preparing your skills and karts for the KOTH. We also welcome the vintage kart club who will be running some of their awesome machines at this meeting. I hope to see a big turn out and some good racing.

Thank you for making Hurricane "Your Place to Race" and I look forward to having a chat with you at the track.

FROM THE COMMITTEE

KING OF THE HILL

As you can appreciate all the committee and volunteers are working hard to start preparing for the 2023 King of the Hill. We will be calling on our members to assist with preparing the track, work in the canteen and complete other required duties to make the meeting a success. So please look out for our social media posts and put your hand up to volunteer if you are able to do so.

We also have a few sponsorship positions available, so if your business or someone you know may be interested in marketing their services at WA's Premier Karting event, then please get in touch with a committee member.

POSITION VACANT - SECRETARY

The Hurricane Go Kart Club is seeking to fill the club secretary position. This role involves working with the committee, record keeping and communicating with members. The position can be very rewarding for someone who is passionate about the club and wants to be more involved. This can be a shared position with individuals dealing with separate responsibilities to assist with the operation of the club. Full support and training is provided from members of the committee.

INFRASTRUCTURE

As you will see around the track, the construction of the Grid Shelter has commenced. Please take care around any of the works in progress. Please DO NOT enter a section which has been marked out of bounds. We are looking forward to having this structure completed as soon as possible.

If you have any queries regarding any of the above then feel welcome to speak with any of our committee members or email us at hurricanegokartclub@gmail.com

OUT & ABOUT

The WA Karting Series Round 4 was held at the Bunbury City Kart Club.

The club put on a successful event and it was great to see many Hurricane members participating in the action.

We would love to hear what our members have been up to over the past month between meetings. This is an opportunity to share all things with our karting family. If you are heading to any other karting events outside of HGKC, then please send out a post on social media that you are attending so we can look out and support each other. Please include a little blurb about what you have done and be sure to include images to go with it.
