FROM THE PRESIDENT

GAVIN KENNEDY

Hi Hurricane family,

Thanks to all the members and family that attended the May club run in memorial of Brian Smith. I'm sure some of our members got to share some memories of the old times when Brian was around the track and was good to see some of the old J's having a run.

To top this off we had a good show of Vintage Karts around the club to show us all how Karting was in the past.

It seems the short track changed things up a little for the racers. The pace was fast and I hear there were a lot of sore muscles from the turn before the Bus Stop. Its back to normal track conditions this weekend for the June meeting, but we hope you have enjoyed us mixing things up a little over the past few months.

With the King of the Hill coming up in only a few months, I expect that we will start to see some other club members getting some practice laps in. So let's show them why Hurricane Go Kart Club is "Your Place to Race". Let's lead by example and show nothing but RESPECT to all other drivers, family members, officials and volunteers.

To make the KOTH a success once again it takes a lot of preparation & effort. We will run a busy bee to get the track ready, need members to put their hands up to volunteer for various jobs and need some help with sponsorship for the event. So please watch out for social media posts and help us make the 2023 KOTH the premier karting event once again

I look forward to seeing you at the track and thank you for making Hurricane "Your Place to Race".

FROM THE COMMITTEE

INFRASTRUCTURE

Now with approvals all in place we are now preparing to erect the new Grid Shelter. All going well we will start the construction around the end of June, early July. Please be patient during this time if any track closures are required for safety reasons. We will keep everyone informed accordingly.

The land acquisition is steadily moving along with surveys being completed in preparation for request to the council for sub division / boundary realignment.

Our external consultant is at the next stage of preparing a business plan for the club, so as we can look to start applying to local government bodies to request grants to assist with the clubs' future needs. This includes new infrastructure projects such as new ablution blocks, upgrade to the canteen, track resurfacing and improved pit area to name a few.

We the committee are sure you can understand dealing with these types of projects takes a lot of planning, so nothing happens overnight, however we hope you can appreciate that we are moving forward with the current vision for the best interests of the club's future.

VOLUNTEERS

Thank you to all the volunteers that have assisted the club with required duties so far this year. The help is appreciated and what makes our club survive.

With the King of the Hill coming up we expect this to be a very busy weekend and we will need all the help we can get from our club members to make this a success.

So please put your hand up when you can to assist. You will see call outs for help on our social media pages that you can respond too or let one of the committee members know when you see us at the track.

If you have any queries regarding any of the above then feel welcome to speak with any of our committee members or email us at:

OUT & ABOUT

It was great to see so many Hurricane members in Esperance for the 3rd Round of the WA Karting Series.

Congratulations to our members, Edward Noon for placing 2nd in Cadet 9 and Roman Yacopetti for placing 3rd in KA3 Junior Heavy.

We would love to hear what our members have been up to over the past month between meetings. This is an opportunity to share all things with our karting family. If you are heading to any other karting events outside of HGKC, then please send out a post on social media that you are attending so we can look out and support each other. Please include a little blurb about what you have done and be sure to include images to go with it.

VOLUNTEERS

Thank you to the extraordinary efforts our volunteers make each and every month to provide our members with successful Club Day events

Each Club Day we require the roles below to be filled so if you are yet to complete Club Duties this year & can help out then let us know.

FROM THE SECRETARY

Dear Hurricane members,

The committee has received a notice of resignation from Hurricane Go Kart Club Secretary, Gemma Worboys.

Gemma is stepping down due to personal commitments and due to those she is unable to see out the 2023 race season.

We would like to thank her for her time and commitment she put into Hurricane Go Kart Club over the last ten years. Whether it be behind the scenes working on newsletters, gaining sponsors, working in the timing tower, tech shed and canteen or even racing on the track. She along with her family would always be supporting their Hurricane Family any way they can.

Therefore Hurricane Go Kart Club are currently seeking someone to step onto the role and assist the club. You will not be thrown in the deep end. The committee are here to help and Gemma has created some resources to help with the Secretary role.

If you are interested in taking on this role and helping our Hurricane Family then please contact the committee at **hurricanegokartclub@gmail.com**
