FROM THE PRESIDENT

GAVIN KENNEDY

Welcome Hurricane members,
That's a wrap for the KOTH 2023. I'm sure you all agree that this years King of the Hill was a fantastic event. Once again we were blessed with some good weather and great racing. The feedback from our members and other clubs, was that the King of the Hill is still the premier karting event in WA.

With the KOTH having the largest number of entrants that the WA State Series has seen so far this year, it really shows what a great job the Hurricane Go Kart Club is doing. The comments we received from the karting community was that the 2023 KOTH was really well organised, starting from the pit bay allocation, to the racing timetable and all the way to the presentations. Im sure you all agree that the track looked fantastic and the grid shelter was a big hit. The food in the canteen was great and to see people lining up around the canteen to get a feed or something to drink, was special. Speaking to some of the older members of the club, they were saying this is one of the best events that they have seen at the club for some time.

I was glad to see so many participants and their families stay around after the racing for presentations and of course for the prize give-aways. The trophy's looked great and we hope you enjoyed the way we mixed things up with the King of the Hill for each class, being crowned as they hit the podium.

The reason this years event was such a great success was due to all the hard work from the officials, volunteers, sponsors and the committee. We cannot thank them all enough for their time and effort they put in. All of the Hurricane Go Kart Club Members should be proud.

Our next Club meeting is on the 16th September and I look forward to seeing our club members get back out on the track.

Thank you for making Hurricane "Your Place to Race".

FROM THE COMMITTEE

INFRASTRUCTURE

As most of you have seen, our Grid Shelter has been fully erected. I'm sure you all agree it looks fantastic and is a great addition to our club. There are still some finishing touches to be made, but overall we can all utilise the benefits the shelter provides.

The committee and clubs endeavour to obtain funding via Government Grants to complete further improvements to the club, are progressing. This includes new ablution blocks, upgraded canteen, new pit bay shelters, track resurfacing, track extension and more. A draft paper and plan is being prepared and communication with the local government agencies has commenced.

MERCHANDISE

Check out the new HGKC King of the Hill shirts and Stubby Holders. Help support and promote the club by purchasing a shirt for yourself and family members. A variety of sizes are available.

POSITION VACANT - SECRETARY

The Hurricane Go Kart Club is seeking to fill the club secretary position. This role involves working with the committee, record keeping and communicating with members. The position can be very rewarding for someone who is passionate about the club and wants to be more involved. This can be a shared position with individuals dealing with separate responsibilities to assist with the operation of the club. Full support and training is provided from members of the committee.

If you have any queries regarding any of the above then feel welcome to speak with any of our committee members or email us at:

hurricanegokartclub@gmail.com

AUGUST CLUB RUN
