AGENDA SUBMISSIONS

(1) HGKC COMMITTEE

Changes to existing membership classes and fees

REASON: Due to restrictions within the KOMP system and to simplify memberships for both members and club secretary, the committee feel the club would best be served by introducing a new membership class, deleting an existing class, and revising two existing classes.

The changes are as follows:

- A. *Family Membership* will replace the existing system of discounts for subsequent family members, which was cumbersome to administer and sometimes difficult to get your head around. Family membership will apply to up to two adults and up to two children (under 18 years) from the same immediate family. The proposed annual fee for family membership is \$350
- B. *Dual membership* will be deleted. People who are members of another karting club who wish to join Hurricane will join as Ordinary or Practice members.
- C. *Vintage members and Associate members* previously had the option of paying an annual subscription premium of \$100 for voting rights. This option will be removed. Anyone wishing to have voting rights will need to have either Ordinary membership or Practice membership.
- D. *Vintage membership fees* will increase to \$100 per annum.
