FROM THE PRESIDENT

GAVIN KENNEDY

Hi Hurricane members,
Please find the final newsletter for 2023. After another busy year of karting, I am sure you are all ready for a few months away from the track, as we all prepare for the festive season ahead. What a great way to end the HGKC last meeting for the year, with the Marlene Dean Kart Muster.

I am sure you all agree it was a great turn out for a club meeting and there were plenty of smiles around the track. The Vintage Karts were also on display and we are very thankful for all those who attended. There were plenty of after racing activities to keep many of the Hurricane family around for the presentations which included the Marlene Dean round and then for the annual Perpetual club championships.

The huge surprise was the Big Man in red himself, Santa, who arrived in a go kart to hand out many giveaways to the cadet and juniors. I am sure you all agree the food was good and top that off the Free Ice Cream van was a treat.

So much effort goes into putting these race meetings and larger events together and I cannot thank the committee and all the volunteers enough for all their hard work. All volunteers are deserving of our utmost gratitude, however a special mention goes out this years club perpetual trophy winners, Mark Bower, Darin Yacopetti, Gil Hobson and new life member Troy Worboys.

I would like to wish all our members and families a Very Happy and Safe Christmas. I look forward to seeing you all in 2024 and you continue to choose Hurricane Go Kart Club as "Your Place to Race".

FROM THE COMMITTEE

ANNUAL GENERAL MEETING

The 2023 AGM saw some current and new committee members voted in. 2024 will see Simon Noon and Matt Pearce join the committee and we welcome their fresh ideas for the club.

Gavin Kennedy remains as Club president and Darin Yacopetti steps in as Vice President. Our most valuable asset, Amy Sears will remain on the committee along with Daniel Currey, Hayden Patrizi, Nathan Mettam, Brett Styles, Michelle Ellyard and Anthony Pulitano.

We look forward to what the committee can bring in 2024 for the club and its members.
