#### MESSAGE FROM HURRICANE GO KART CLUB PRESIDENT

### Welcome to the 2025 Perth Heavy Haulage King of the Hill!

Hurricane Go Kart Club is proud to bring you the biggest day of the year - the Perth Heavy Haulage King of the Hill!

We've been running this one-day racing spectacular for now 16 years and it's no wonder it's one of the biggest open meetings on the WA karting calendar.

This year's extra special as we've finally secured more land and, over the past few weeks, our crew has been hard at work expanding the pits and setting the stage for exciting upgrades coming soon. Bigger space, bigger vibes, and bigger racing!

A huge thanks to our hardworking Committee, our busy bee helpers, and our incredible sponsors - we couldn't do it without you. And to our volunteers and officials who give up their time so we can all race - you're the real MVPs.

So drivers - race hard, stay safe, and have a blast. But please be respectful to our volunteers, your fellow competitors and yourself. Spectators - cheer loud and soak it all in. Thanks to all everyone for coming to support this awesome event!

Let's make this a KOTH to remember!

PRESIDENT, HURRICANE GO KART CLUB

The system of gridding will be in accordance with State Regulations – Cup Competition Format 4. 289 Point System. Final Only Counts.

- One qualifying session of 6 minutes duration
- Grid positions for qualifying will be determined by order of entries received into KOMP.
- o Heat 1: 10 laps. Results of qualifying, fastest to the front.
- o Heat 2: 10 laps Points from Finishing from Heat 1
- o Heat 3: 10 laps Points from finishing positions from Heat 1 and 2
- o Final: 15 laps Points from finishing positions of Heat 3

Perth Heavy Haulage Specialise in heavy machinery transport throughout Western Australia and Interstate.

They have the ability to deliver oversized loads weighing up to 70 tonne.
