KARTINGONLINE 

Proudly Supporting Hurricane Kart Club

From the Club President

On behalf of the Hurricane Go Kart Club and Karting WA it gives me great pleasure to welcome you all to the 2025 Western Australian Kart Championships. This event is the pinnacle of karting in our state and brings together the very best drivers, officials, and supporters for a weekend of fierce competition and unforgettable memories.

Our club is proud to host this year's titles, and the committee has worked tirelessly behind the scenes to ensure this event runs at the highest standard. A special thank you goes to our dedicated officials, volunteers, and members, whose countless hours of effort make racing at this level possible. Without your commitment, events like this simply could not happen.

To our sponsors, thank you for your generosity and support. Your contribution not only helps us stage an event of this scale but also ensures the continued growth and development of karting across Western Australia.

To all competitors, congratulations on qualifying to race at this level, the State Titles represent the peak of competition, and every driver here should be proud of the effort and dedication it has taken to reach this stage. We wish you the very best of luck and hope you enjoy the experience of competing against the state's finest.

Finally, I encourage everyone - drivers, pit crews, family, and supporters to enjoy not only the racing but also the camaraderie that comes with our sport. Karting is built on community spirit, and this weekend is a celebration of both competition and friendship.

We look forward to a weekend of fast, fair, and exciting racing. Thank you for being part of it, and welcome once again to the 2025 Western Australian Kart Championships.

Clavin Kennedy

HURRICANE GO KART CLUB PRESIDENT

Race Format

The System of Gridding will be in accordance with Competition Rules, Chapter 5 Rule 4p) except the Grid Positions for Heat 2.

2 x Timed Practice 8 min sessions

Qualifying: 6mins Grid Positions will be determined by fastest lap times set during timed practice sessions.

Heat 1: 15 Laps. based on times from qualifying

Heat 2: 15 laps based on the finishing positions of heat 1

Heat 3: 18 laps based on points from Heats 1 & 2

Final: 22 laps based on points from Heats 1, 2 & 3

0 (zero) point system will be used.

Dead man Final.

Flatout Karts began over 25 years ago as a hobby shop by Greg Dicker and a close friend of his at the time through a love of karts and toys in general. By 1994, the business name was officially changed to Flatout Karts and the specialisation in go kart racing stemmed from here on in. Since then, Flatout Karts have won multiple state, national and international championships and now provide a one-stop shop for the karting industry.

Flatout Karts offers a range of services to assist all ranges of experiences from the weekend recreational driver to the seasoned professional.
