YOUR PLACE TO RACE

DECEMBER 2025  
NEWSLETTER

## GAVIN KENNEDY

Hi Hurricane members,

2025 has been a huge year for Hurricane Go Kart Club, both on and off the track. We proudly hosted the WA State Titles, delivering an exceptional event that showcased the strength of our club and the commitment of our volunteers. King of the Hill once again proved to be the States biggest meeting of the year, cementing its place as one of Western Australia's premier karting events.

We were also honoured to run the Marlene Dean Kart Muster and support the Girls Race Too, celebrating Marlene's legacy and encouraging more girls and women into the sport. The turnout and support were outstanding, and it was a highlight to see so many new faces having a go.

Off the track, 2025 marked major growth for our club with the purchase of two adjoining properties, securing our future and allowing for planned expansions. We've already begun strengthening our facilities with the completion of the new tech shed and in-grid shelter and new water tank three upgrades that have made a noticeable impact on race-day operations. cont.....

Looking ahead, 2026 is set to be our biggest year yet. With the club securing a \$1.1 million grant along with an additional \$100,000 towards a new medical room, we will be undertaking a major program of upgrades. These developments will elevate the member experience, support our officials and volunteers, and position Hurricane for long-term growth.

I would also like to extend a special welcome and thank you to Ainsley Clarke for stepping into the role of Club Secretary. We're incredibly grateful for her energy, organisation and commitment to the club.

Finally, to our volunteers, officials and committee thank you. Every meeting, every improvement and every milestone we've achieved this year has been made possible because of your dedication and hard work.

Hurricane continues to thrive because of the people who give their time and passion to the club. Here's to an exciting and transformative 2026. Thanks for making Hurricane YOUR PLACE TO RACE!
