2026 **KING**
OF THE HILL

22nd-23rd MAY 2026

About HGKC

Hurricane Go Kart Club (HGKC) was established in 1961 and is situated approximately 70kms East of Perth CBD, just outside of the township of Wundowie in Western Australia (WA).

Known in the WA karting community as the "family friendly club" is why we are the second largest club in WA.

HGKC has been located at two prior locations of Burswood Race Circuit and Clontarf Speedway before making Wundowie home in 1963. The race circuit was upgraded in 1993 and extensions carried out in 2002 which saw the circuit length increase to 753 meters.

Our committee, together with our members are actively working on securing a strong future for our club. Over the last 3 years we have acquired the land adjoining both sides of our circuit for future development, built grid shelters for both the in and out grid, new Parc Ferm'e (Scrutineer Facility), Ablution Blocks and much more. HGKC secured government funding that will see our vision become a reality.

At the end of 2026 works will commence on track extensions and re-surfacing which will extend over the newly purchased land that should see the circuit length extend to 1175m. After years of planning and hard work, upgrades that have already been completed, along with the new circuit, these major upgrades will make the Hurricane Go Kart Club one of the BIGGEST and BEST Karting facilities in Australia.

Our club is famous in WA as the home of the prestigious "King Of The Hill". (KOTH) This meeting is held usually in August each year and consistently attracts over 250 competitors making it the largest open meeting held by any club in WA...last year was the 5th biggest in Australia!! This year KOTH will be held on the 23rd of May 2026 and is shaping up to be the biggest one yet. Why?.....

This will be the last KING OF THE HILL on the current circuit.....The last winner is always Remembered!!
