MESSAGE FROM HURRICANE GO KART CLUB PRESIDENT

WELCOME TO THE 2026 PERTH HEAVY HAULAGE KING OF THE HILL!

Once again, the Hurricane Go Kart Club proudly welcomes everyone to the biggest and most exciting race meeting on our calendar, the 2026 Perth Heavy Haulage King of the Hill.

The continued growth of this event and the incredible entry numbers this year are a testament to the reputation KOTH has built over many years. Seeing the paddock full and the support from competitors right across WA and beyond is something our club is extremely proud of.

A huge thank you goes to our dedicated Committee, members, volunteers and officials who put in countless hours behind the scenes to make this event happen. From busy bees and track preparation to race day operations, this club simply could not function without the people who continually step up and lend a hand.

We would also like to sincerely thank all of our sponsors for their ongoing support of Hurricane and King of the Hill. Your contribution plays a massive part in allowing our club to continue growing and improving each year.

While KOTH is our major event, the work certainly doesn't stop here. 2026 is shaping up to be another huge year for Hurricane, with plenty of exciting projects and improvements planned around the track and facilities. There is a lot of hard work ahead, but it is all aimed at continuing to improve the experience for our members, competitors and spectators for years to come.

As always, please remember that this event is run by volunteers giving up their time so everyone can race. We ask all competitors and teams to show respect to our officials, volunteers and fellow racers throughout the weekend. Let's work together to create a safe, competitive and enjoyable atmosphere for everyone involved.

On behalf of HGKC, we wish all drivers and teams the very best of luck for the weekend.

Race hard, stay safe, and most importantly enjoy yourself.

Garvin Kennedy

VIPER METRICS

Empowering Your Operations

VIPER understands the critical importance of effective Asset and Fleet Management in the mining, civil and construction industries, as well as haulage and transport — a challenge they've faced firsthand.

When existing solutions fell short, they built their own from the ground up.

From daily Heavy Fleet and Plant Management to Digital Inspections, Asset Hire and Maintenance Planning, VIPER delivers comprehensive Asset Management tailored to your company's unique demands.

They take the time to understand your specific needs, and pride themselves on keeping complex processes 'stupidly simple.'

Get in Touch

Have a question? Need assistance? We're here to help!

info@vipermetrics.com

We are a family-owned and operated company not a franchise. With over 40 years of experience in roof maintenance and restoration in Perth, Platinum Roof Coating will protect your biggest asset.

Is your tired old roof starting to deteriorate or lose its lustre? From tile to iron, and from small domestic homes to the biggest industrial, we do it all.

We proudly service all roofs north and south of the river in Perth, Western Australia.

Why Choose Us?

By combining our extensive experience with qualified employees and Shieldcoat—the best roofing products in Australia—you are guaranteed quality service and a finish that will stand the test of time.

Peace of Mind: Shieldcoat roofing membranes come with a 12 Year Warranty and a 6 year colour fade and gloss protection warranty.

FLATOUT
KARTS

Flatout Karts began over 25 years ago as a hobby shop by Greg Dicker and a close friend of his at the time through a love of karts and toys in general.

By 1994, the business name was officially changed to Flatout Karts and the specialisation in go kart racing stemmed from here on in.

Since then, Flatout Karts have won multiple state, national and international championships and now provide a one-stop shop for the karting industry.

Flatout Karts offers a range of services to assist all ranges of experiences from the weekend recreational driver to the seasoned professional.
